5) Mervin asked what about the visitor's fees collected? Noel told him we cannot put this in our budget as it is so erratic we can't budget on it, but we will keep it in the maintenance account and if money is

left at end of year we can look at a reduction of fees.

6) Joey asked why visitors were raised. Noel told him it was due to another toilet put down and also said if members were all honest about visitor's fees and we got more it would not have a problem.

7) Lapa at the lake is not for camping as people want to braai and then with all the stuff there they can't get to braai.

8) Germiston anglers asked for a separate records listing for Germiston lake.
